## CAMBRO Camshelving

TRUSTED FOR GENERATIONS™

PREMIUM SERIES™

Camshelving Metric Premium Series is designed to withstand the harshest storage environments food service has to offer. Incredibly simple to assemble and maintain, Premium Series allows operators to quickly and easily create custom configurations. Designed for high volume food service operations, Premium Series holds up to 800 kg per unit, with removable traverses and shelf plates to adjust heights and clean completely. Shelf plates are protected by molded-in antimicrobial Camguard and can be safely run through commercial dishwashers.

## **i** Label Adhesive Types

We offer a wide range of food labels with different types of adhesives. The adhesive required will differ depending on where and how the label is being used.

- C** **Cold Temperature Labels.**  
Made with an extremely strong adhesive to withstand freezing and low temperatures.
- D** **Dissolvable Labels.**  
Dissolve completely within 30 seconds after contact with water of any temperature.
- R** **Removable Labels.**  
These labels peel off easily, leaving no residue.

## 1" Label Dispensers

A choice of dispensers for 1" labels available in plastic or stainless steel. The shell on plastic models protects label rolls from kitchen mess.

**U-Series Under Counter Fish Fridge**

A compact solution for any kitchen or retail site which needs to safely store seafood. The clever design of this fridge reduces build-up of liquids, effectively keeping seafood stored in ideal conditions for extended periods. Also features a handy electric defrost function to prevent ice build-ups which could damage the contents or prevent the fridge from keeping a consistent temperature.

# POLAR U-Series Chilled & Frozen Cold Rooms

Simplify your refrigeration system with these great-value walk-in cold rooms. Each unit can be divided into separate sections for different food groups, allowing you to easily find the ingredients you need when you need them. Also perfect for storing less frequently used ingredients, freeing up your in-demand kitchen chillers. Quiet 43dB operation also makes them ideal for any kitchen, whether customer facing or not. Operate in a maximum ambient temperature of 43°C, so they offer year-round reliability, even in the hottest summers.

## **i** Colour Coded Kitchen

### How to Order

Cold rooms are available as chillers or freezers. For chillers, choose codes ending in -C. For freezers, choose codes ending in -F.

Once you've chosen the size of your cold room, select the colour by adding the relevant two letters listed below to your product code. E.g. For brown 1500(W) x 1800(D)mm freezer use DS482-FBN.

Vandyke Brown (BN)

Olive Green (GN)

Anthracite Grey (GY)

# SPACE SAVING WASTE MANAGEMENT

Thanks to this extensive collection of coloured bins and signage, effectively separating and disposing of your waste has never been easier.

### Slim Bins

With a compact design, these bins are designed to fit into any small areas. A raised lip makes it quick and easy to fit bin bags and ensures that they stay in place until emptied.
